Means the ability to do a good day's work, without undue fatigue and to find life worth living. You cannot have indigestion or constipation without its upsetting the liver and polluting the blood. Such a condition may be best and quickest obtained by Herbine, the best liver regulator that the world has ever known. Mrs. D. W. Smith writes, April 3, 1902: "I use Herbine, and find it the best medicine for constipation and regulating the liver I ever used." Price 50c. Sold by Arcadia Valley Drug Co.

**ORDER OF PUBLICATION.**

In the Circuit Court of Iron County, Missouri—in vacation November 3, 1904.

Peter Schneider

vs.

Clara A. Schneider.

[Divorce.]

Now at this day comes the plaintiff, by his attorney, and files his petition setting forth, among other things, that the defendant is a non-resident of the State of Missouri, and that the ordinary process of law cannot be served upon her. It is therefore ordered by the undersigned Clerk of the Circuit Court of Iron County, State of Missouri, in vacation, that publication be made notifying said defendant that an action has been commenced against her by the plaintiff, in the Circuit Court of Iron County, State of Missouri, the object and general nature of which is to obtain a decree of divorce from the bonds of matrimony heretofore contracted between said plaintiff and defendant on the grounds that defendant has absented herself from plaintiff, without reasonable cause, for the space of one year.

And unless she be and appear at the next term of said court, to be held for the County of Iron and State of Missouri, at the court house in said county, on the fourth Monday in April, 1905, next, and on or before the third day thereof (if the term shall so long continue; and if not, then before the end of the term) and plead to said plaintiff's petition, the same will be taken as confessed.

It is further ordered that a copy hereof be published according to law in some weekly newspaper published in the County of Iron and State of Missouri.

A true copy from the record.  
Attest with seal this February 4th, 1905.  
[SEAL] J. M. HAWKINS, Clerk  
Circuit Court, Iron County, Mo.  
Wm. R. Edgar, Atty for Plaintiff.

### Wine of Cardui Cured Her.

213 South Prior Street,  
ATLANTA, GA., March 21, 1903.  
I suffered for four months with extreme nervousness and lassitude. I had a sinking feeling in my stomach which no medicine seemed to relieve, and losing my appetite I became weak and lost my vitality. In three weeks I lost fourteen pounds of flesh and felt that I must find speedy relief to regain my health. Having heard of Wine of Cardui, I sent for a bottle and was certainly very pleased with the results. Within three days my appetite returned, and my stomach troubled me no more. I could digest my food without difficulty and the nervousness gradually diminished. Nature performed her functions without difficulty and I am once more a happy and well woman.

Its location is admirable for this purpose. It is on the Iron Mountain Railway, 89 miles south of St. Louis, and 640 feet above that city. Nestled at the foot of Shepherd Mountain, embowered among majestic trees, just off the main street, and free from its noise and dust, and alongside, and connected with, the famed Emerson Park, with its shady walks and drive-ways, Sylvan Lake and Grant Spring, and their attractive surroundings, no more beautiful or restful retreat for the invalid and convalescent, or the weary and careworn, can be found in all America.

### A Few Facts Concerning Rupture

In order to become proficient in the cure of rupture, years of preparation and experience are necessary in order to practice with any degree of certainty. Dr. W. A. Lewin, the rupture specialist, is a graduate of several European and American colleges and has devoted many years to the study of this particular branch of medical science.

He treats rupture without the use of the knife, without drawing blood, without danger and without detention from regular occupation.

All is accomplished within a few weeks and no one is pronounced cured until the opening through which the intestines protrude is entirely closed and permanently healed. This is done by building up new tissue, a growth similar to that over a wound that has healed, so that the patient is stronger at this spot than he was before the rupture occurred.

Consultation and advice free. No pay required until cured to your entire satisfaction. Send for free booklet containing testimonials. 40,000 patients cured. Call or address,
